From Principal's Desk:

*“Little drops of water/Little grains of sand
Make the mighty ocean/And the pleasant land”.*

This sounds highly significant about ‘Sevayatan Sikshan Mahavidyalaya’ as it is popularly known today. From a modest beginning this fledgling college has leapfrogged on the path of outstanding development and attained Govt. Sponsored Status and excellence with regard to progress and performance in the lately declared District of Jhargram.

In view of the growing demand for a Teachers’ Training College, it was discussed and decided to open a Govt. Sponsored Teachers’ Training B.T. College at Sevayatan in the north east outskirts of Jhargram town. The decision was materialized and resources optimized when the Philanthropic Trustee of Sevayatan took the onus on them by donating substantial quantity of land and offering all possible succour for the establishment of the college in the year 1959.

The monk Suddhananda Giri Maharaj of Sevayatan, an ardent champion of education was chiefly responsible for opening a number of educational Institutions at Sevayatan locality of which the establishment of the B. Ed. College remains a land mark achievement throughout his ascetic life.

On behalf of the college, I must convey heartiest gratitude to the Trustees for their pioneering efforts to bring the first ray of true modernity and education. Coupled with their ameliorative initiatives in the obscure and educationally challenged area some six decades back.

The first flame of education initiated by the Mission Continues burning more vigorously today. With the progress of time this college has attained its burgeoning state with inception of M.A. in Education that started in the year 2012.

I get pretty amped up to say that students seeking admission both to B.Ed. and M.A. classes form bee-line in this hallowed Institution every academic year, possibly attracted by the enviably healthy academic climate and the supportive environment prevailing over here.

Located against a serene natural setting surrounded by shady trees and greenery. This college specially attracts hosts of onlookers towards its imposing flower garden with

multi colour flowers in their glorious bloom. The location of the college breathes a sense of holiness and purity, silence and solitude that reminds us of the ancient vedic days, more importantly the time when sweet and cordial relation existed between 'Guru and Sishya' or teacher and taught. The same sort of hearty relation exists even today in our college as well. A vibrant academic and cultural ambience coupled with holistic outlook of teachers constitute the name and fame of the college. The famous professoriate of this college leaves no stone unturned to deliver teaching according to the best of their capacity that definitely does positive service to the students' community as a whole.

Currently the college building wears a new look for the renovation, reconstruction and facelift works done so far, separate building for M.A. courses has been constructed which connects the main college building. Well-equipped modern smart classrooms both for B.Ed. and M.A. classes with modern teaching aids have been arranged for the students. It is quite heartening that the NET & SET aspirants are offered special coaching by the college that would help them to crack the said examination. The college has big hostels in its precinct both for boys and girls hailing from distant places. The whole college area along with the main college building is surrounded by strong and durable boundary walls on all sides to ensure safety and security of the inmates. The college have installed CCTV cameras covering all the campus including boys' hostel and girls' hostels. Besides, we have a spacious and well-equipped gymnasium where Alexander technique is emphasised upon. The auditorium hall has recently been built in our college premises where efforts are made to create an ambience of culture and promotion of culture as well as cultural integration. With the gradual development of the college outreach initiatives are also taken up with real earnestness by all concerned. The 'Heart of the College' the library is housed in a big first floor building with a rich collection of various old and new books for the increasing number of users along with Internet facilities (Wi-Fi).

The Assembly Hall of the college deserves special mention. It is chiefly meant for holding functions, symposiums, meetings and even important classes and when required. I am happy to say that everything in the college goes swimmingly and everything is in ship shape for the dedicative support of the galaxy of teachers, non-teaching staff as well as the governing body who try to raise the college to new heights of glory and excellence. The constructive and positive efforts of the students are also

very important in this direction precisely speaking this college has come as a capstone for the collective endeavour of all.

The vision and mission of our college is to produce good enlightened citizens endowed with a sense of social responsibility to discharge. I am upbeat that our college would produce ideal teachers who would also spearhead the march of progress, peace and prosperity of society and shed lustre on our college by their concerned efforts in future

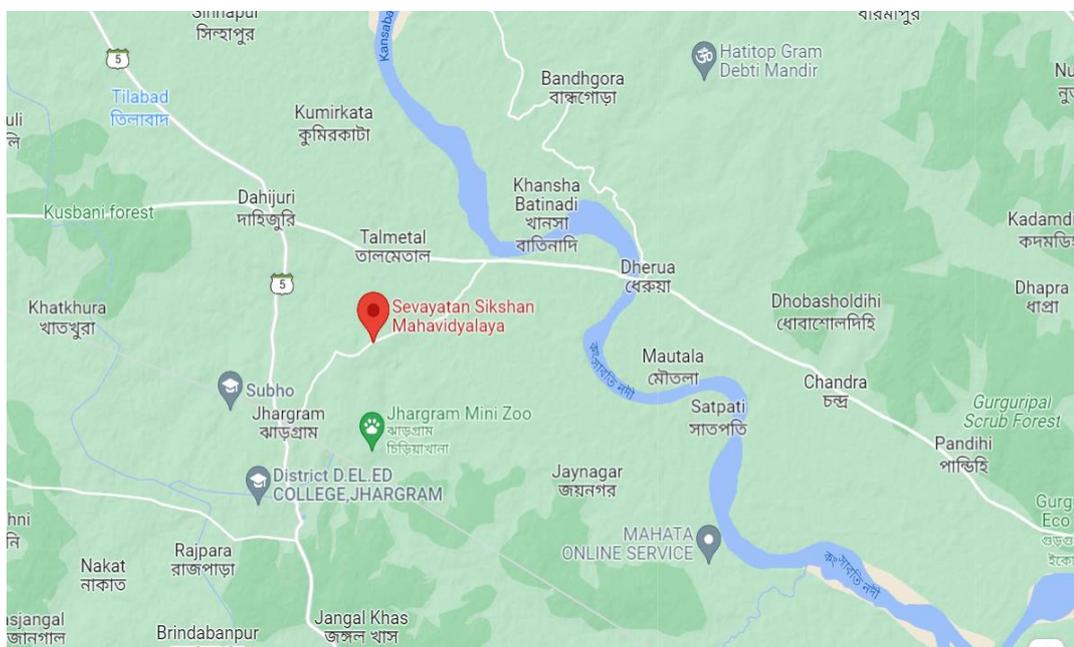

Dr. Ashis Kumar Gupta

Principal

Sevayatan Sikshan Mahavidyalaya

Location:

Sevayatan Sikshan Mahavidyalaya is situated in the north east outskirts of Jhargram town and about 3 miles from the headquarters of Jhargram district. It is easily accessible by railway station of Jhargram of south eastern railway and regular bus service from Medinipur to Jhargram route.

Vision:

Sevayatan is committed to build an abode of service in respect of body, mind and soul. Harmonisation of the three aspects of human being is sought to be fulfilled

mainly through education. The special feature of educational activities of Sevayatan lies in so far as it tries to vitalise some of the educational ideals of ancient India fusing them with the requirements of modern times and cope with the changing social needs.

Mission

- To develop intellectually competent, morally upright, psychologically integrated, technologically sound and socially committed teachers for service in the emerging global scenario of education.
- To foster values of a new global scenario such as quality consciousness, Eco friendliness, sustainable development and love for fellow men.
- To make partnership with National Institutions.
- To provide integrated courses in teacher education, marked and defined by value-education, global outlook and interdisciplinary.

Goals & Objectives

- To develop unique teachers who excel in global scenario and realise the Indian concept of 'Guru'.
- To promote and conduct educational researches and experimentation of innovative ideas and practices.
- To create ICT infrastructure that is supportive of academic and administrative needs and exhibit teaching- learning materials and ICT materials.
- To generate a new work culture for improving the practice of education through teaching, research and extension
- To achieve and sustain excellence in teacher development through experimentation and innovation
- To promote quality education of global standards on a strong foundation of Indian values and traditions to students based on current advances in science, technology and social demands with emphasis on commitment to social progress, peace harmony leadership and national integration

Values:

- To inculcate contemporary moral, ethical, social and cultural values.
- To inculcate compassion, commitment and attitude of building warm rapport with all.

College History:

The Sevayatan Sikshan Mahavidyalaya was founded by Swami Satyananda Giri Maharaj in 1959 as Government Sponsored Teachers Training College. The College was the only Teachers' Training college after Kolkata (From Howrah district to Purulia District). This is the fourth oldest college in West Bengal under Calcutta University.

From 1988 the affiliation was shifted to from Calcutta University to Vidyasagar University. M.A in Education has been introduced in Sevayatan Sikshan Mahavidyalaya under Vidyasagar University from 2012-2013. In 2015 the B.Ed. course was affiliated under WBUTTEPA as per higher education department, Govt. of West Bengal. The college is a Government Grant-in -aid college and it functions through the management of its Governing Body.

The Assistant Professors are experienced and qualified who are recommended by West Bengal College Service Commission (WBCSC) and appointed by College Governing Body.

The college has a total campus Net working with LAN interconnecting all the computers with high-speed Broad band Connectivity and WI-FI Connectivity from BSNL and Reliance JIO

The library is automated with SOUL 2.0 Library Management software and digitalization of Library is under process. The library has subscribed more than 6000 Journals and 1,99,500 eBooks under N-LIST programme of INFILBNET.

The College: at a Glance:

- The college was established in 1959 by Swami Satyananda Giri Maharaj, as residential Teachers' Training College for students sponsored by Govt. of West Bengal.
- Recognised by National Council for Teacher Education (as per the NCTE regulations, 2014 with the intake capacity of 100 for the B.Ed. students.
- M.A Programme in Education introduced in the year 2012-13.

Intake Capacity

B.Ed. (2 years) :100

M.A (Education): 76

FACILITIES

1. Separate Hostel facilities for Boys and Girls students
2. Well stocked automated library with Internet facilities and e-resources.
3. Reading room.
4. Smart-Classroom with Smart Board and LCD Projector.
5. Psychology Laboratory
6. Social Sciences Laboratory.
7. Multi-media Language Laboratory
8. Physics Laboratory.
9. Chemistry Laboratory
10. Life Science Laboratory
11. Education Laboratory
12. Music Laboratory
13. Art and Craft resource centre
14. Geography Laboratory
15. Air conditioned with well-equipped computer lab.
16. CCTV surveillance campus.
17. WI-FI campus
18. Internet connectivity with high-speed Broad band connectivity.
19. Separate Common Room for boys and girls
20. Guest Room
21. Cycle stand
22. Canteen
23. 24 hours security
24. Gymnasium and games & Sports equipment (indoor and outdoor)
25. Play Ground
26. Career, Counselling and Placement Cell
27. Grievance and Redressal Cell
28. SC/ST/Minorities/OBC cell.
29. Facilities for CWSN.

a. Hostel

The college has big hostels in its precinct both for boys and girls hailing from distant places with 150 bed capacity. The students accommodated in the Hostel should be under the strict supervision of a Superintendent. Priority for admission of students in the hostel is given to the students coming from outside the districts or states and sports talented persons.

Boys Hostel

Girls Hostel

b. Fitness Centre

The College has a Fitness Centre where multigym facilities are available. There are also adequate number of Commercial Treadmills, Cycles and other equipment's for physical exercises.

c. Games and Sports

The college has play-grounds for Football, Volley, Cricket and Kho-Kho. The college has adequate number of games and sports equipment. Participations in sports activities is mandatory for all students.

d. Playground As the college campus is very wide and spacious. The College presently have it's one ownfield. Regular sports and games such as Volleyball, Football, Badminton, Kho-Kho and Cricket etc are conducted at these playgrounds. Regular games for hostel boarders (Ladies & Gents) are conducted at these playgrounds.

e. Cultural Centre

As per mission statement, Sevayatan Sikshan Mahavidyalaya emphasis on the overall development of the student and extracurricular activities plays vital role for the same. Cultural activities lead the development of many important soft skills such as resource management, public speaking, morals, ethics and many more. 'Vaudeville' is without doubt the biggest and mostly awaited cultural programme being organized every year by the college. The campus is well equipped with the necessary state of art infrastructure to facilitate all types of cultural activities.

f. Carrier Oriented Programmes

Information Communication Technology, Spoken English and CTET and NET/SET are run as add on programme which may be offered by the students of P.G and B.Ed. parallel to their normal Courses.

INFRASTRUCTURE AND TEACHING – LEARNING RESOURCES

THE CAMPUS:

The college is situated in a totally pollution free area away from hustle and bustle of heavy traffic and population. The panoramic view and lush green field all around makes the campus an elegant place for teaching and learning process. The College recognizes the importance of high-quality teaching learning resources and continues to invest in our facilities.

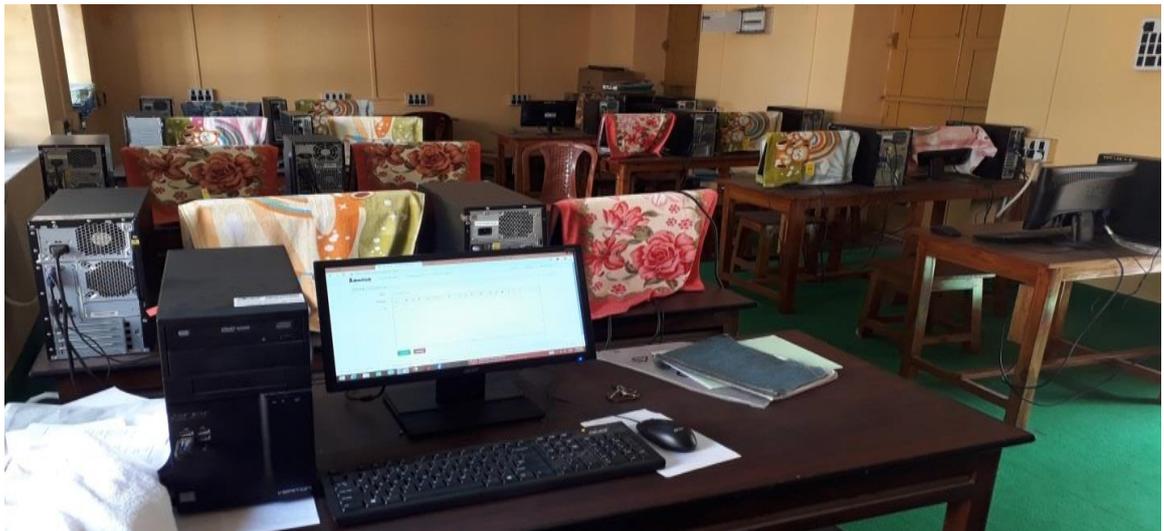

CLASSROOM:

The College has enough number of modernised and smart classrooms provided with smart boards, LCD projectors and Computers with Internet facilities.

ICT LAB:

The college's computer lab is one of its main focal points. Nowadays, every education and training programme includes instruction in computer application skills. For the

benefit of our instructors, the college has fully functional, modern computers as well as LAN and high-speed broadband facilities. One of the college's main focal labs is the computer lab. The college has integrated ICT and computer lab facilities where students are not only driven to learn the fundamentals but also encouraged to use them extensively throughout their B.Ed. and P.G degree. ICT usage is encouraged throughout lesson preparation and delivery. The students are encouraged to construct and create instructional materials using ICT to enhance their teachers' instruction. Additionally, the students are urged to create engaging PowerPoint presentations.

NETWORKING: The college has campus a WI-FI Campus supported by Broadband and Reliance Jio and Networking with Local Area Network (LAN) with connectivity.

EDUCATIONAL LAB: The Institute provides educational lab with all kinds of teaching aids with a capacity of accommodating 50 students at a time.

SOCIAL SCIENCE LAB: The College has a well-equipped social science room cum laboratory. It is well equipped with equipment's, apparatus and materials required for the subject, which helps in creating and maintaining a much-needed congenial atmosphere for effective learning. The permanent display of important maps and globes, pictures and charts and constant reference to them by teaching is sure to make the teachers of social studies effective, lively and interesting.

MATHEMATICS LAB: To enable the students to explore a wide range of mathematical concepts by using the right equipment, we have set up our mathematics lab. The laboratory approach allows student to set up mathematical experiment for the purpose of discovering some mathematical principles, patterns or process. More involvement in the laboratory work helps in satisfying the creative and constructive urges of the students.

ART AND CRAFT RESOURCE CENTER: The art & craft resource centre is aesthetically decorated which has all the material and apparatus to cultivate aesthetic value in our students. Students have the liberty to explore and nourish their creativity here. They are provided with ample opportunity to experiment and express them. A wide range of ideas, materials, textures, colours and form are taught here.

MUSIC LAB: Our motto is to provide all round education to our students. So apart from regular study we also encourage our students to engage in various arts and culture form. The music lab with several musical instruments and qualified trainer provides scope of showcasing and practicing our student's cultural talent.

HEALTH AND YOGA LAB: We aim to generate overall wellness among the students by encouraging them to participate in different sports and exercises. So, we have set up

Health and Yoga lab. A better method of living is through yoga. It guarantees excellent job efficiency and improved mental and emotional stability. Yoga can help one develop balance in their bodies and minds. The greatest blessing of all is good health. Health is more than just being free from illness. To enabling people to live completely well-balanced lives in terms of their physical, mental, and social well-being not just the lack of illness or weakness.

SCIENCE LAB: It would be rare to find any education course without a substantial component of laboratory activity. So, we arranged for a modernized and well equipped and well-maintained lab with all required facilities for our students for their experiments and work. It is observed that students should have full guidance and assistance in the lab.

LIFE SCIENCE LAB

PHYSICS LAB

LANGUAGE LAB: The objective of Language lab is developing the communicative skills of the students and engaging them in interesting language learning processes. Unlike the ambiance of traditional classroom, here the student uses various texts, videos, and audios to learn language quickly.

GARDEN

Our college has five gardens: one in front of the college, one beside the lawn facing the college, one outside the girls' hostel, one close to guest house, and another on the back side of boys' hostel. The College features a large garden that is covered in lush greenery. The various colorful annual and perennial flowering plants, ferns, and Cycas are just a few of the garden's many features. The front area of the garden is well-kept by the college administration and features a variety of colorful annuals in pots. Many plants with important ethnomedical uses have been grown in the college's medicinal plant garden. The purpose of this is to familiarize the students with our traditional knowledge of herbal medicine and raise awareness of the value of widely accessible and utilized therapeutic herbs. Additionally, it is an effort to protect some endangered and uncommon species of medicinal plants.

AUDITORIUM AND SEMINAR HALL

In this college, there is an opulent auditorium with room for 300 people. Incandescent lights, good acoustics, audio visual aids like microphones, audio-video recording, video playback, slide projectors, cue light systems, audio-video feeds for camera crews, fixed talkback facility, additional talkback, head sets, video tripod, etc. are all included in the

centrally air-conditioned space. It is also outfitted with central air conditioning. These facilities can be used for a variety of purposes, including meetings between students and professors, convocations, presentations, short-term training courses, workshops, conferences, guest lectures, and cultural events. The seminar room is large, well-ventilated, and equipped. Additionally, it provides equipment for giving lectures, such as LCD and OHP projectors, screens, and whiteboards.

E-LEARNING FACILITIES

Throughout the College, Sevayatan Sikshan Mahavidyalaya's own servers support Internet and web-based applications. All faculty, staff, and students enjoy free Wi-Fi access, and the college has a cutting-edge filtering system that enables students to browse the web safely and securely. For independent study, students may bring their own tablets and computers, but they must abide by our IT and e-safety policy and respect the guidelines set forth by the professors regarding the use of technology in the classroom. Classes typically use a blended learning strategy, employing YouTube and other websites or applications where they can enhance the learning experience.

C.C.T.V. SURVEILLANCE

For the safety and security of the college's personnel, students, and property, there are enough C.C.T.V. monitoring systems installed across the campus.

SOLAR PANELS

Taking a major step towards becoming an environment friendly campus, the college has installed solar panels which would provide enough electricity on the college premises, and Hostels.

LIBRARY

SSM College Library was established in 1959 along with the college. The college library is substantial and upholds a high level. It features a variety of top-notch novels. Textbooks on "Education" and other disciplines are available in the library, as well as reference books (various dictionaries, encyclopaedias on various topics, atlases, etc.), general books, and non-book materials. Numerous journals on education (mostly), science, and the arts are available through the library's subscriptions. Back issues of journals, magazines, career-guide books, and employment-related news bulletins are also included in the collection. Additionally, to the borrowing option, the library offers reading room amenities for students and faculties. The library serves as their sole source of information for all requirements pertaining to their B. Ed. and P.G courses. To meet their needs, the collection is regularly examined and expanded with new publications. Students have access to the internet at the library as well. For students, our library uses a controlled access system, and reference books use a partially open access system. We occasionally give our student users with the right permission very limited access to the stack room. Direct access to shelves in the stacking area is available to teachers.

Resources of Library:

Books: 9626 (General)

Journals and Periodicals: 10 Titles (Printed)

Online Subscription:

N-LIST (National Library and Information Services to Scholarly Context)
provides access to E-resources(E-Books and E- Journals)

Library Services

- Book Lending Service □ Reference Service
- News Paper Reading Service □ Internet Searching
- Bibliographic Search Service. (OPAC)

B

BLOOD DONATION CAMP

EYE CHECK UP CAMP

RULES AND REGULATIONS OF THE COLLEGE

1. Admission fees are not generally refundable once admission is taken in the college.
2. All the students of the college must collect their identity cards from the office and must come to the college with their respective identity cards being duly signed by the student and countersigned by the principal of the college.
3. Discipline should be maintained in the college campus.
4. Use of mobile phone in the college campus is restricted and in classrooms strictly prohibited.
5. After admission, a student has to be attending a minimum of theory and practical classes as per university rule.
6. No day-scholar will generally be allowed to leave the campus on week days before closing the all classes.
7. Day scholars are not allowed to enter the hostel building without prior permission of the principal.
8. No student is allowed to meet their guardians, relatives in the campus without prior consent of the principal.
9. During college hours, hostel boarders must stay in academic building according to class routine hours irrespective of whether they have any class or not. Disciplinary steps will be taken against those boarders who stay in the hostel but do not attend classes
10. Library rules should be strictly followed.
11. Students are asked to use library reading room or common room without roaming in the campus.
12. Students should keep the Campus neat and clean.
13. Final Semester Marksheet will be issued on submission of Library Clearance and Hostel Clearance Certificate.
14. Any grievance of the students should be brought to the notice of the principal immediately.
15. Any problem regarding ragging, sexual harassment, women's problem should be informed primarily to the respective in-charges.

The college and the hostel are one entity. It follows that the trainees must adhere to both the norms and regulations of the dormitory as well as those of the college. One's latent potential can be brought forth via daily discipline in a methodical way. Additionally, it fosters positive relationships between educators, students, and management and teaches trainees how to live

healthy communal lives, instilling in them the spirit of service and cooperation that is crucial in the pursuit of knowledge.

SEVAYATAN SIKSHAN MAHAVIDYALAYA

Hostels Rules and Regulations

The Sevayatan Sikshan Mahavidyalaya, one of the premier and oldest (Established in 1959) Teacher Training Institute for Boys. Now there are one boy's hostel and two girls' hostels can house about 150 plus students (Boy-100 & Girls 50).
